## Apartment Living? Tenants Say It's More Like Ghetto Living!

These residents were upset with the poor maintenance of the complex — look at the porch and steps and you get some idea of the deterioration.

By Dave Atkins

When I get phone calls from people complaining about something, I get interested and start sniffing around until I find out what I need to know. (I guess we all knew that, didn't we?)

I have received several complaints about an apartment complex — Key Manor, by name — located on Wayne Road between Wick and I-94. These complaints range from door buzzers that don't work to knee-high grass (and the summer is just beginning!).

One day last week, I called Dave Paul at the City's Building Department and told him of the complaints I was receiving, and he said he would look into the problem. This week, when I called again, Mr. Paul was out of the office, so I talked with one of the inspectors. He assured me that he would look into the matters we discussed.

Today (May 22), I went to the complex myself to take a look around and get some pictures of what I found. I also talked to some of the residents of the complex, and they repeated what I had already heard: there is, basically, no maintenance done on these buildings. In fact, one resident told me that, if I had been there just one week ago, he could have lain down in the grass and

I would not have been able to find him. As it was, the grass was growing so high next to one building that, in another week or two, you won't be able to see the gas meters.

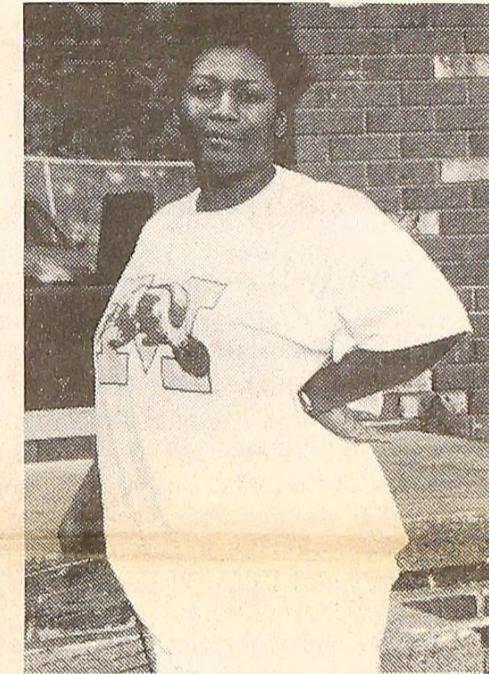

Every resident I talked to told me that their outside security doors (the ones that have buzzers allowing residents to admit guests) don't work. There were also complaints that the painting is not being kept up and that "junk" cars are being parked in the lots. (I checked into these allegations for myself, and found them to be true.)

I called the apartment manager and asked her about the problems. She informed me that the owner was aware of the complaints, but that she did not know when the problems would be taken care of. That is almost exactly what the Building Department was told.

Dave Paul said that he was going to get in touch with the owner and see about getting things done at Key Manor. It is evident that either he (Paul) has not been able to contact the owner yet or else the owner has ignored his requests for action on this matter.

Key Manor used to be a respectable-looking apartment complex, but now it is looking more and more like the beginnings of a ghetto or slum area.

It is hard to understand why the Ordinance Department has let this type of neglect continue at this complex. The same day that I went to Key Manor I drove through Morgan Manor, and found it a place of luxury in comparison.

She was upset about everything.

Both the grounds and the exterior of the buildings were well maintained. I also drove through Wellesley Townhouses cooperative, where some of the tenants are having a problem with their board of directors. I found it very clean on the outside, and it appeared that the management is doing its best to improve the overall appearance of the complex.

see GHETTO, page 2

This car with no wheels, which is sitting on jacks poses a danger to children as do many other cars in the complex.

**GHETTO***continued from page 1*

So why is Key Manor looking so bad?

I know the manager there, and I can tell you right now that it is not her fault. The owner or owners of Key Manor need to get their act together, or the City's Building and Ordinance Department needs to start enforcing codes and ordinances — and, if need be, close down the buildings altogether until they are all fixed properly.

At Key Manor, the air conditioning doesn't work in many apartments, some of the keys to outside doors don't work, some back entrances don't close completely, the drywall in some apartments is rotted away, other drywall has been badly patched . . . and yet the rent over there is \$390 per month, with a security deposit of \$400 required to move in.

Doesn't seem quite fair, does it? □

**Traffic Stop****Think When You Drink**

By Officer Rick Schwartz, Romulus Police Department

**Project Graduation**

Project Graduation aims to reduce drinking and drug abuse among Area high-school students. This year, more than 3,000 youngsters from 60 Area high schools attended the event, which was sponsored by WTVS-TV Detroit and Area 7-Eleven stores.

Please take some time and look carefully at the wrecked car on the grass in front of the High School. The driver was the victim of a drunk driver. Notice how little room is left in the car for the driver. Just imagine what pain and suffering the driver of this car endured until she died behind the wheel. The driver of the other car died several hours later. *Think when you drink.*

**RHS Track****Guys: 2-7**

Recent finishes of third out of 22 Downriver schools and seventh out of 15 Regional schools have elevated the Lady Eagle track program to one of the better in the western Wayne County area.

With the South Central Conference (SCC) League meet on Wednesday, the Lady Eagles will conclude a very solid season with a promising outlook for next year.

The Mellus Tournament found many of our talented underclassmen finishing very high in their events. Leading the way was Tearza Johnson (junior), who won the 100-meter and 200-meter dash events with times of 12.25 seconds and 25.4 seconds, respectively. The 25.4-second time was a new Mellus Tournament record.

Tearza was recently named Romulus High School Athlete of the Month for her accomplishments both on and off the field (Tearza is also a 3.75 GPA student).

Tearza also combined with juniors Carmita Brown, Melanie Patterson, and Angela Hollis to win the 800-meter relay, and teamed with Melanie, Angela, and Charmaine Smith to set a new meet record in the 400-meter relay with a time of 51.11 seconds.

Winning the 300-meter hurdles for the Lady Eagles was Carmita Brown; Trudy Villarreal, Angela Courtland, and Lakesha Holmes also contributed greatly to the efforts of the team that day.

The Lady Eagles finished seventh at the State High School Regionals, which were held at Novi High School on Saturday.

League foes Pioneer, Huron, and Ypsilanti finished first, fourth, and fifth (respectively) in the Region, thus making our ability to qualify for the State meet very difficult.

Tearza Johnson will be our only representative at the State meet this year, as she qualified in the 100-meter and 200-meter races.

Leading the guys' team all year has been senior Izell Watkins. After finishing second in the 100-meter dash and third in the 200-meter dash at the Mellus Tournament, Izell took his best event, the long jump, to the Regionals last Saturday. His fourth-place finish there will qualify Izell for the State meet, where he hopes to better his Regional jump of 20'2".

The guys' relay team of Izell, Tzyedd Bowles, Lajuan Wilson, and D.J. Jamerson finished second in the Downriver meet, but was just edged out of qualifying for the State meet this year.

"We had a very good year, considering how young we are," stated Coach Ron Bayes, "and we would have qualified more people if we were in a different regional. No doubt the SCC is the top track league in the State, and, although it helps us get better to compete

with those schools, it sure makes it difficult to qualify for the State. We are really looking forward to next season, as we will get better with experience and will pick up some very good people from the Junior High's program next year."

**RHS Baseball****Varsity: 9-11**

The baseball team moves into the State Tournament on Thursday when Romulus will play Plymouth Canton at Canton at 4 p.m. A win there will take the Eagles to the District Tournament at Ann Arbor Huron on Saturday, June 1, beginning at 10 a.m.

Final statistics and All-League and All-Regional honors will appear in the next issue of *The Romulus News*.

**RHS Tennis****Record: 1-14**

"Finally! I told these young kids that, if they kept working hard, a victory would come soon, and we won the last meet of the season at home versus River Rouge," stated Coach Dan Stearn.

Sophomores Brian Molenda, John Devereaux, and Johnny Buckley were victorious, as were senior John Fitzhugh and the first doubles team of seniors Jennifer Daniel and Sherwin Springer.

The victory led the Eagles into the State Regional meet on Friday at Trenton High School. According to Coach Stearn, the team played well but just could not pull out the victories needed to advance past the first round of State competition.

Winning their first match was the third doubles team of Sue Molenda and freshman Keith Parks. That victory led the Eagles into a match with the num-

ber-one seeded team from Taylor Kennedy, and their next match ended the day for the Eagle team.

"We are improving each season; we just need more people to want to learn to play," said Stearn. "I hope that a lot of our athletes who do nothing in the fall and spring will begin to take up the sport of tennis. It is a lifelong activity and can be a lot of fun for someone looking for an activity to be involved with," he concluded.

**RHS Softball****Varsity: 10-13**

The Lady Eagles play Adrian, Edsel Ford, and a State District game with Plymouth Canton this week to determine the outcome of the 1991 season. A victory over Canton will send the Eagles on to Ann Arbor Huron on Saturday, June 1, at 10 a.m.

The end-of-season results and any post-season honors will appear in the next issue of *The Romulus News*. □

## He Is a Working Man's Attorney

By Dave Atkins

Local attorney, Murray A. Duncan, has worked very hard to be what he is today: one of the best attorneys in the City of Romulus.

Duncan, a graduate of John Glenn High School in Wayne, has practiced law in our city for the last seven years, and more than half of his clientele are Romulus residents.

Duncan graduated from Wayne State University in 1979 and immediately went on to study law at the University of Detroit Law School, graduating in 1984.

Prior to his graduation from college, Duncan got married and now has three children. While he was attending school, Duncan worked on the lines at GM Willow Run to feed his family and pay for his education. He likes to call himself the "workers' attorney" because he is from the "other side of the fence" – the working man's fence. He knows what it is to work long hours at a dirty job and try to feed your family, and he lets it be known through his fees to his clients. He does not try to rob them.

Duncan, who left GM in 1987 to concentrate on his law practice in Romulus,

Murray A. Duncan, Jr., Attorney

says, "Romulus has been good to me. I like the people here; I like this city." Although he does not live in Romulus, Duncan is a strong supporter of many events in the City and he attends almost every meeting concerning the City that he possibly can. (I said he does not live here, but it would not do to ask his wife where he lives because of the amount of time he spends here at his office.)

From the looks of things, Duncan (who is only 34) is going to need several partners by the time he is 40. His business is good, and, if you need a good attorney, may I suggest him? We use him as our attorney and he has always worked well for us. He specializes in real estate, drunk driving, criminal, divorce and custody, personal injury, and bankruptcy cases. 941-5025. If you get his answering service, leave a message; he will call you back. □

## Join the Jaycees

By Sharon Shank, Director, Romulus Jaycees

Several months ago, a new Romulus chapter of the Jaycees came to life. Most of the chapter consists of employees from Romulus-based Central Distributors of Beer, Inc. Several other members are with other local businesses, and two members actually live in Romulus.

Our group's first main objective is to let people know we're around. Once they realize we're out here working on community projects and doing our part to help develop different programs, we hope to double our membership before the end of summer. Our group's effectiveness will be determined by the contributions of our active members. We were fortunate to work for an employer who answered the request from Mayor Beverly McAnally to sponsor employees to help formulate the group. In actuality, an employer can't go wrong because the self-growth an individual can attain from group involvement will benefit that person on the job, as well as in his or her personal life. Seminars and communication courses can be costly to an employer, whereas the Jaycees can offer many opportunities along the same line.

The Jaycees allow an individual to develop many personal skills. The art of communication, selling, charitably committing one's time, and participating in

many worthwhile activities are just a few of the benefits one can reap by becoming a Jaycee. We are a fun group of people and would love to meet other residents and business people in the community. To be eligible, you must be 21 to 39 years of age.

Our activities so far have included euchre tournaments, an intersection drive, and involvement in the recent Romulus/Michigan Week Festival. With funds generated from the intersection drive, we hope to do something for a Romulus family that still has an immediate member of the family actively involved in the Gulf crisis, and are asking that those families please contact us. We are also asking for Romulus military personnel who served in the Gulf to send us their military pictures. We plan to frame these pictures on a special memorial plaque. All pictures and information can be sent to us at: Romulus Jaycees, P.O. Box 74084, Romulus, Michigan 48174-0084.

Our next big project involves a second clean-up for our Adopt-A-Highway program. We adopted a four-mile stretch of I-275 and desperately need help on June 1, which is National Adopt-A-Highway Day. Those persons interested in helping the environment should contact us immediately at 285-6634. This program requires watching a 10-minute safety film before you can participate. We are challenging all City officials and/or candidates for the next election to get involved. Our goal is to recruit at least 20 people by June 1! □

## Volunteers at Head Start

By Kathy Thiede, Romulus Head Start

Romulus Head Start and the Michigan Department of Education (MDE) would like to thank the many volunteers who have helped to make the 1990-91 school year a wonderful success.

There were 9,211.5 volunteer hours of dedicated service to our program.

Thank you all. We appreciate the volunteers who contributed one hour and those who volunteered hundreds of hours.

The top 26 volunteers are as follows: Debbie Baccus, Kandice Bostain, Andre Brown, Daniel Brown, Joyce Clay, Gail Coffey, Linda Daigle, Debra Elam, Carol Fulton, Monica Glaze, Terry Herbert, Helen Jezierski, Clifford Kincaid, Wendy Kincaid, Judy Moore, Kimberly Myers, Betty Nastal, Kristina Perkins, Kathy Peters, Julie Piotrowski, Joyce Poole, Camilla Rucker, Suzanne Schaf, Tracy Schaf, Barbara Smeltekop, and Sue Wonsack.

Romulus Head Start/MDE would also like to thank the many businesses, agencies, and church groups that have made donations to our program. □

## New Dentist in Town

By Dave Atkins

A very nice-looking young lady just recently graduated from the University of Michigan Dental School and intends to work in our city.

Lorine Yee Shimsky has worked in the dental field for the past 11 years and will certainly be an asset to Romulus.

Lorine started as a dental assistant and then went on to become a dental hygienist. From there, she went on to the University of Michigan to fulfill her life's dream of becoming a full-fledged dentist. She will be an associate of the ever-popular Dr. Rhonda Hennessy.

Hennessy, who has a broad background in dental teaching, has a very good practice in our city.

Hennessy said of Lorine, "She is very good at her trade. She is a person that everyone will like very much.

"Lorine is a welcome asset to our family practice," Hennessy added, "and we expect that our relationship with her, and her relationship with our patients, will be a long and enjoyable one."

Dr. Hennessy is well known in this community as being a truly "painless" dentist, and she sees to it that anyone

working for her attains that same "painless" reputation.

As for myself, I am scared to death of a dentist, but I can tell you right now, Hennessy has never caused me any pain when working on my teeth, nor has she ever hurt any member of my family. Let's face it. When it comes to dentists, my whole family, including myself, has always been a bunch of cowards. Not any longer. We simply go to Hennessy's office.

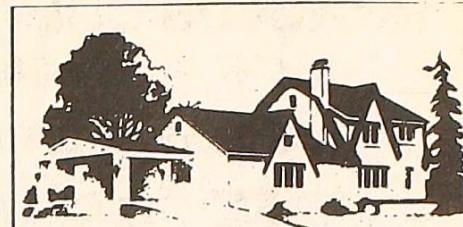

Also, she will not do work on you if she thinks it will cause you a problem at a later date; rather, she will send you to someone else, such as an orthodontist.

A 55-year-old coward. Yep, that's me! But I have let her drill on my teeth without any pain killers because I am allergic to them, and she has still managed to keep to a bare minimum any pain that I may have experienced.

If Ms. Shimsky can learn all of Dr. Hennessy's tricks, she will be super. □

## REGULAR MEETING, APRIL 22, 1991

The Regular Meeting of the Romulus Board of Education held Monday, April 22, 1991, was called to order by President Bales at 7:30 P.M.

Roll call showed all Members present. All Administrators were present.

Pledge of Allegiance was led by President Bales.

### Approval of Agenda:

4/91/15 Moved by Wilkerson supported by King the Board approve the Agenda as presented by Dr. Bedell. Ayes: 7. Nays: 0. Motion carried.

### Approval of Minutes of Previous Meetings:

(Member Langley excused momentarily; she returned at 7:35 P.M.)

4/91/16 Moved by King supported by Berlinn the Board approve the Minutes of April 8, 1991. Ayes: 6. Nays: 0. Motion carried.

### Communications and Expressions from the Public:

Richard Kruse discussed band festivals and airport noise hearings.

### Report of the Superintendent:

#### Personnel Actions

4/91/17 Moved by Patterson supported by Berlinn the Board lay off paraprofessional teacher aides and technical aides as recommended by Dr. LeCesne. Ayes: 4. Nays: 3. Motion carried.

4/91/18 Moved by Wilkerson supported by Patterson the Board accept the recommendation of the Superintendent that the teachers (as presented on listing) be laid off for the school year 1991-92 and that their teaching contracts not be renewed at the end of the 1990-91 school year. It is further resolved that the record show that the reason for this action is as follows: 1) The district has experienced a substantial reduction in student enrollment. Until more is known, it is imperative that the district develop flexibility concerning its staff ratios. Be it further resolved that the Board of Education direct the Secretary of the Board to send a letter to each of the individuals listed officially notifying them that their teaching contract will not be renewed at the end of the school year 1990-91 and that they will be laid off as teachers in the Romulus Community Schools. Ayes: 7. Nays: 0. Motion carried.

### Bills for Payment

4/91/19 Moved by Wilkerson supported by Langley the Board approve the Bills for Payment as presented by Administrator Carr. Ayes: 7. Nays: 0. Motion carried.

### Greiner — Design Proposal for High School Athletic Facility

Chuck Olson addressed the Board.

### Barton-Malow/Project Management Plan

4/91/20 Moved by Patterson supported by Langley the Board acknowledge receipt of Barton-Malow report. Ayes: 7. Nays: 0. Motion carried.

4/91/21 Moved by King supported by Berlinn the Board reject storage and shelving recommendations. Ayes: 7. Nays: 0. Motion carried.

4/91/22 Moved by Berlinn supported by Langley the Board acknowledge receipt of Estimate Summary Sheet. Ayes: 7. Nays: 0. Motion carried.

### Quarterly Report — Budget

4/91/23 Moved by Wilkerson supported by King the Board accept the Auditors' Quarterly Report submitted by Post, Smythe, Lutz & Ziel. Ayes: 7. Nays: 0. Motion carried.

### Roof Contract

4/91/24 Moved by Wilkerson supported by Berlinn the Board of Education extend our roofing agreement with Single Ply International to re-roof Wick School for a cost of \$144,160.00. Ayes: 7. Nays: 0. Motion carried.

### Voc Ed Equipment — CAD-CAM

4/91/25 Moved by Wilkerson supported by Patterson the Board of Education accept the recommendation of the Vocational Education Director and purchase a CAD-CAM System from Howard & Smith, Inc. — Cost: \$5,530.00. Ayes: 7. Nays: 0. Motion carried.

### Parent Consent for Abortions

4/91/26 Moved by Langley supported by King agree to refer this matter to the Board Policy Committee for study and recommendations. Ayes: 7. Nays: 0. Motion carried.

### State Finance

Administrator Carr discussed this item with Board Members.

### Items of Interest from the Superintendent

Dr. Bedell discussed the following Items of Interest with Board Members: 1) North Central Approval — 1990-91; 2) Ford Letter — Arbor Week; and 3) Letter of Thanks — Nancy Straub.

### Questions and/or Concerns of Board Members

There were no questions and/or concerns of Board Members expressed.

### Executive Session — Negotiations

4/91/27 Moved by Berlinn supported by Patterson the Board convene in Executive Session for purpose of Negotiations. Roll call vote showed: Ayes: 7. Nays: 0. Motion carried.

The Board convened in Executive Session at 9:30 P.M. and reconvened in Regular Session at 10:00 P.M.

4/91/28 Moved by Patterson supported by Wilkerson the Board require that all new applicants must successfully pass a drug screening for all positions prior to being hired. Ayes: 7. Nays: 0. Motion carried.

4/91/29 Moved by King supported by Berlinn the meeting scheduled May 13, 1991, be cancelled and the Regular Board Meeting be rescheduled to Tuesday, May 14, 1991. Ayes: 7. Nays: 0. Motion carried.

### Adjournment:

4/91/30 Moved by King supported by Berlinn the Board meeting be adjourned. Ayes: 7. Nays: 0. Motion carried.

The meeting adjourned at 10:13 P.M.

Respectfully submitted,  
Howard J. Kesner, Secretary  
Romulus Board of Education

## Three RHS Students To Attend Girls' State

By John Domas, Counselor, Romulus High School

Three outstanding Romulus High School students have been selected to attend the 51st, Annual American Legion Auxiliary Girls' State Program. The program is to be held on the campus of Central Michigan University in Mt. Pleasant from June 15 to June 23.

Attending will be 546 girls representing the very best of Michigan youth.

Local students receiving scholarships valued at \$200 are Marci Tomchick, daughter of Mark and Linda Tomchick (sponsored by the Romulus Progressive Club); Amanda Kesner, daughter of Howard and Alice Kesner (sponsored by the Romulus Rotary Club); and Tearza Denise Johnson, daughter of Judy Phillips (sponsored by Kiwanis Club of Romulus).

All three girls are completing the eleventh grade at Romulus High School. Thus, they will be returning as seniors to share their many experiences with their classmates next year.

The 1991 Girls' State Program is designed as a practical experience in the problems of self-government as operated within the State of Michigan. The purpose of the program is to emphasize the importance of government in modern life; to stimulate a deep and lasting interest in government; and to enlarge the students' understanding of the governmental process.

The basic method of Girls' State, by which these goals may be achieved, is that of actual participation in the political and governmental process. Care has been taken to design the Girls' State Program so that every student may participate in the electoral process; have an opportunity to hold public office; and be encouraged to share in the formulation of public policy. Since no one person can serve in all offices of government, it is expected that a great deal will be learned by observation of the activities of others. It is hoped that each citizen will leave Girls' State with a mature appreciation of some of the basic strengths and weaknesses of the

American system of government. It is hoped, further, that they will leave with a firm resolution to make government a more effective and responsible servant of the people.

To be eligible to participate, a candidate must be a citizen of the United States; able to attend the full nine-day session; be completing her junior year of high school; and be a Michigan resident attending a Michigan high school.

Selection is based on each girl's interest, character, and potential abilities. Also considered are teacher recommendations and academic record.

Upon their arrival at Girls' State, each girl is assigned to a mythical political party and to a county and city. There are seven counties, each composed of three cities.

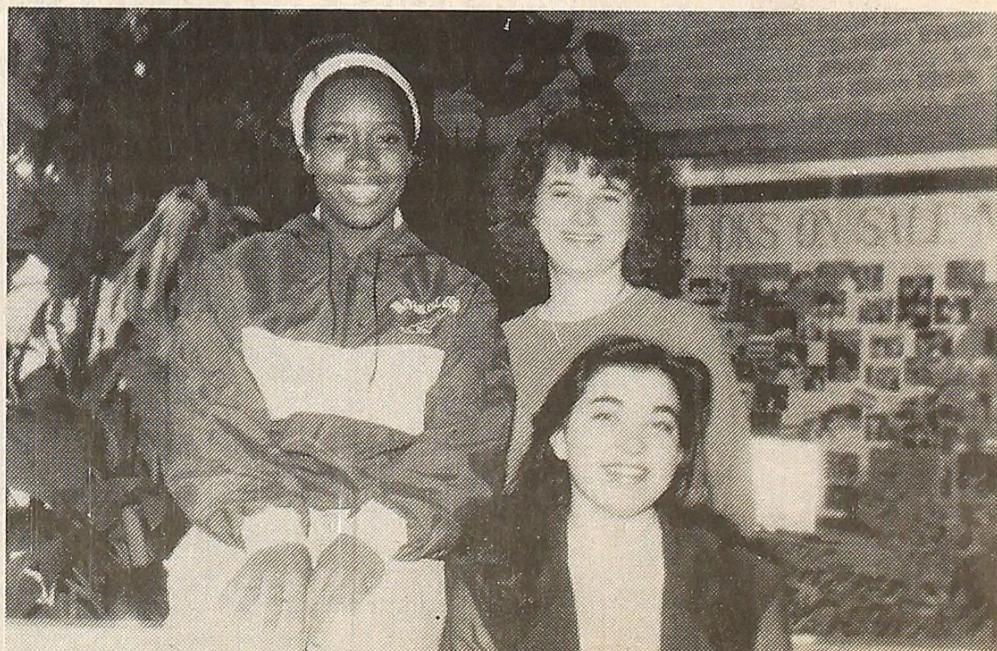

The citizens nominate and elect various city, county, and state officials. They are instructed in the duties of the various public offices, and they learn the functioning of each office and its powers and limitations, including the State Supreme Court, the Legislature, and other divisions of government.

The Press Association and lobbyist and interest groups are also popular activities in a typical Girls' State.

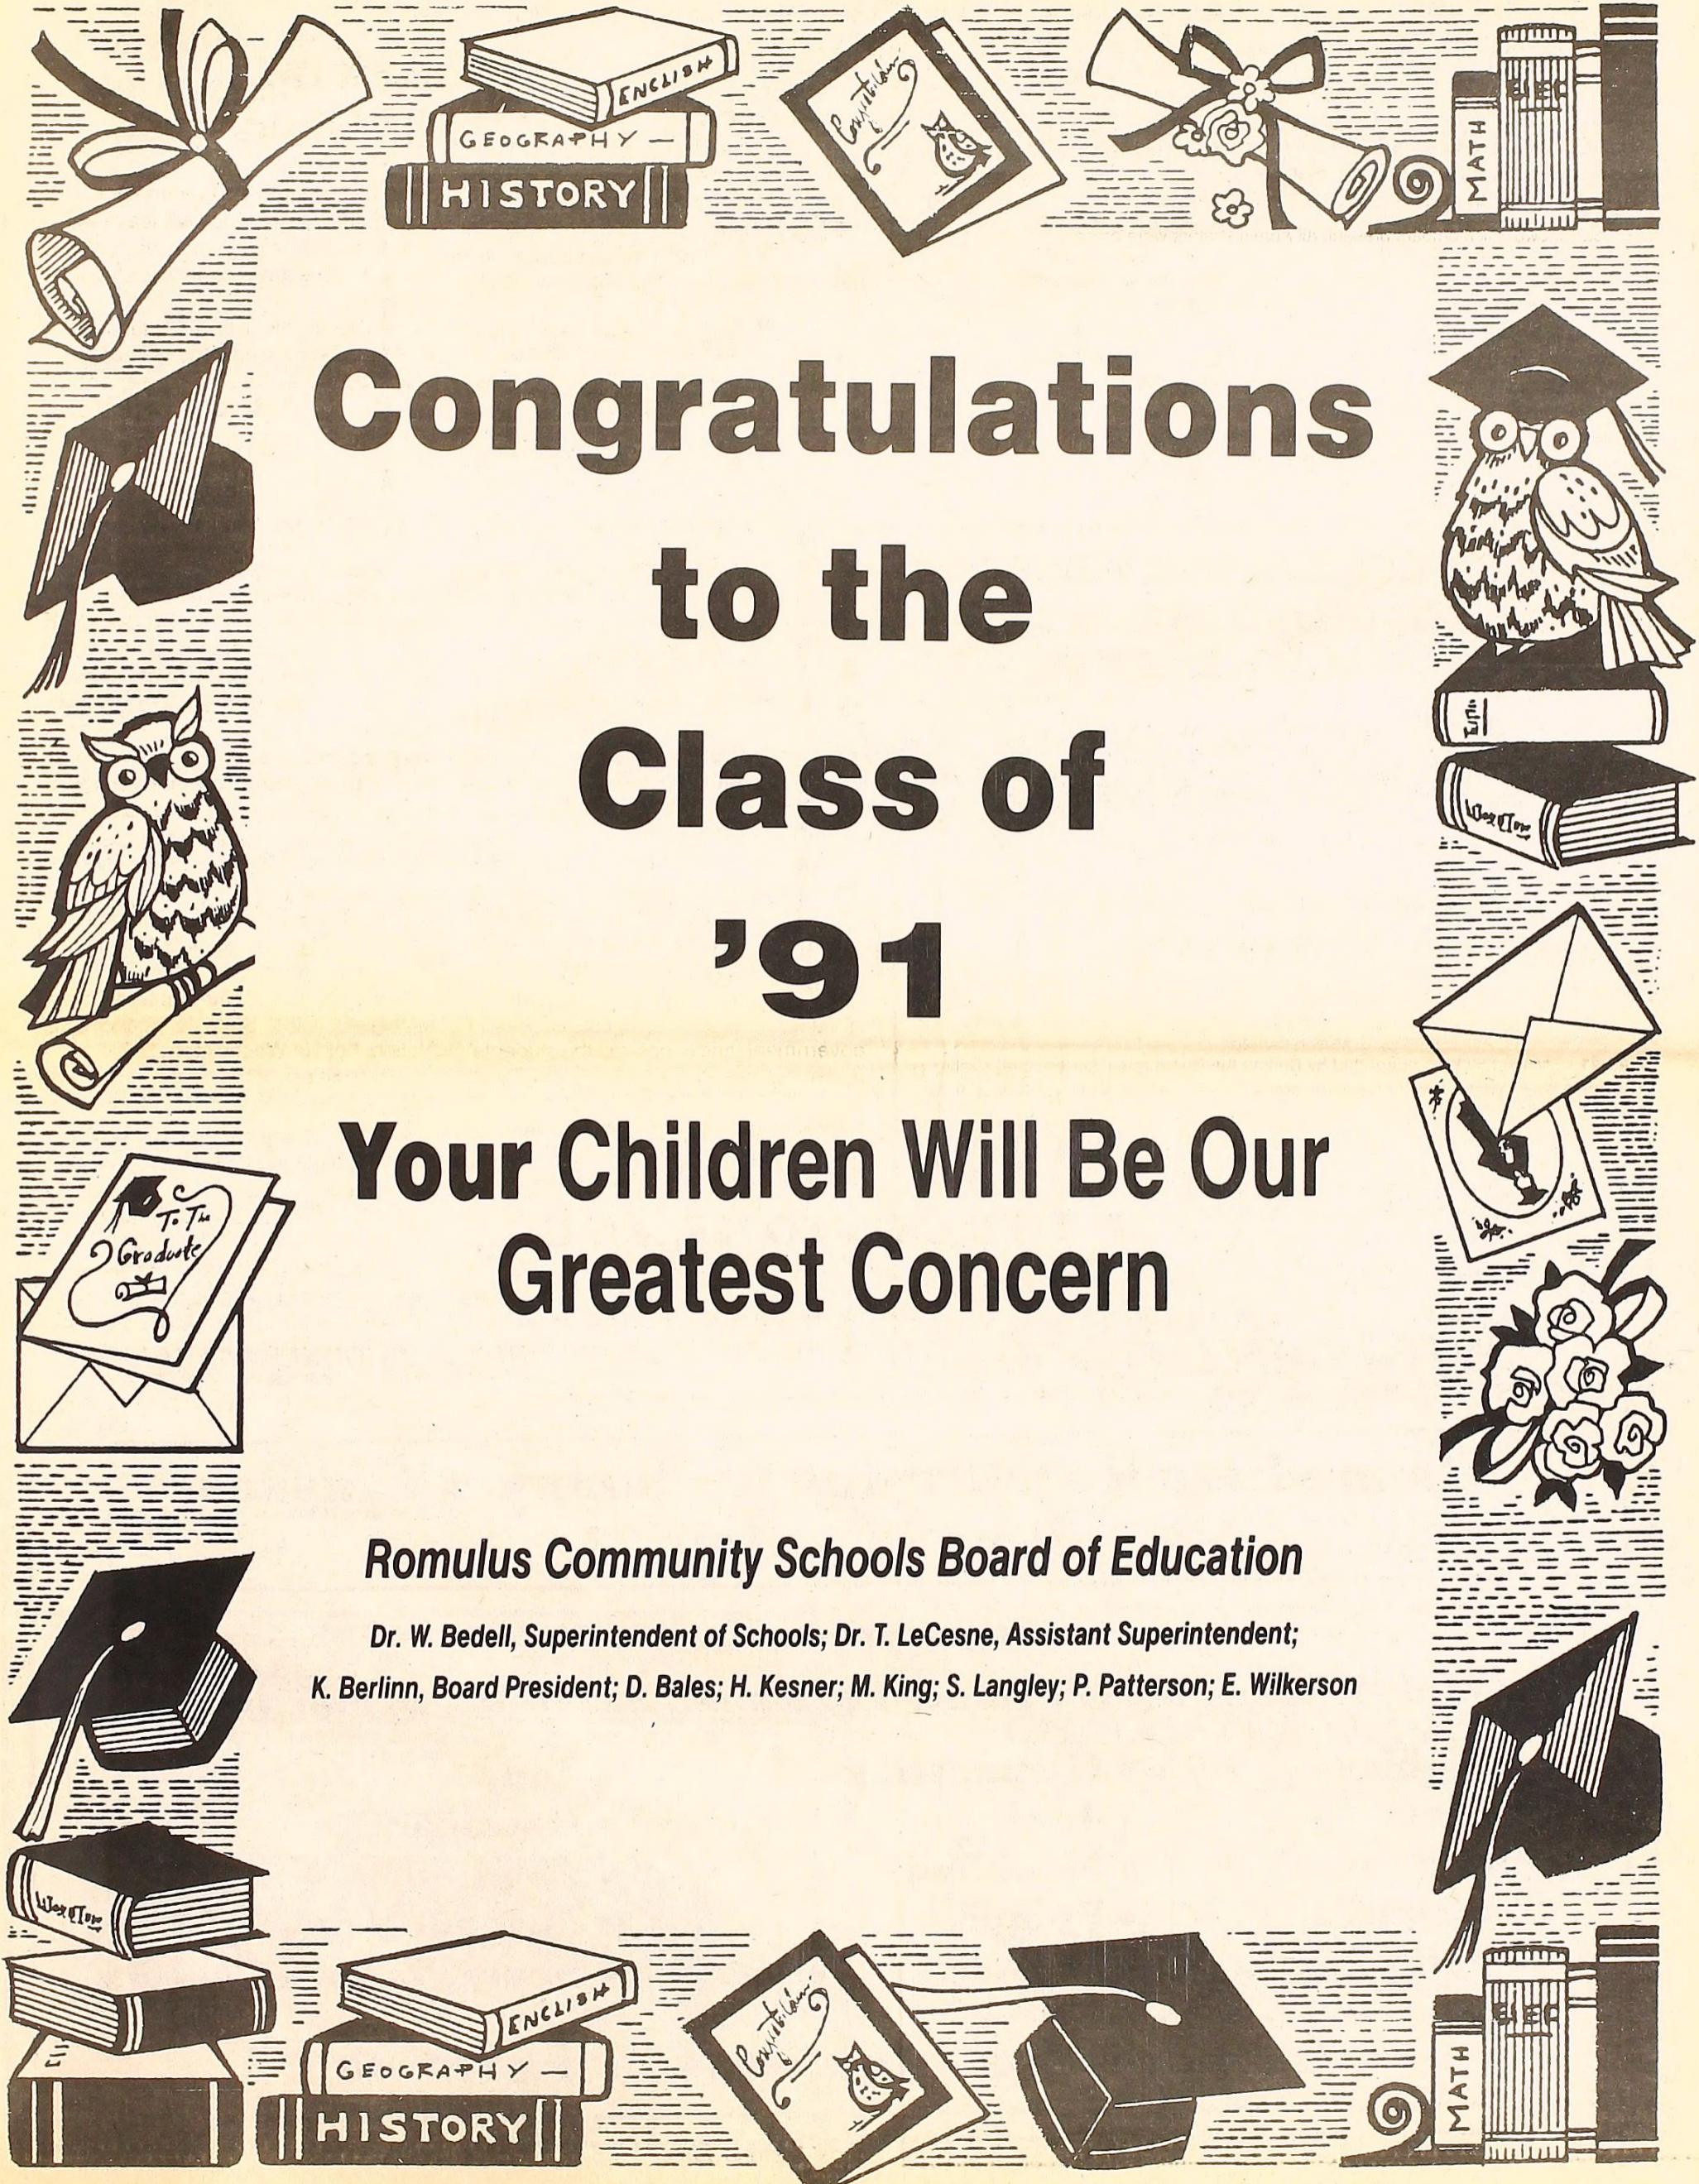

Two girls will be selected from Michigan's Girls' State to attend Girls' Nation, held in Washington, D.C.

Girls' Nation, a citizenship program in the processes of Federal Government, to which Girls' State sends two "Senators" each, is an annual climax to the Girls' State Program and has been held in the Nation's capital for one week each summer since 1947.

I would like to thank the following people for their help, support, and assistance in making it possible to send these three well-qualified and deserving students to Girls' State: Mae Jackson, William Knight and Alan Wilkerson, Romulus High School counselors; Gerald Nault of the Progressive and Kiwanis Clubs; Don Morris of the Romulus Rotary; Bill Bradford, Romulus High School teacher; and Judy Nutt, Guidance secretary. □

RHS juniors Tearza Johnson, Marci Tomchick, and Amanda Kesner will attend Girls' State in June.

# Congratulations to the Class of '91

• Ballroom	• Modeling	• Tahitian
• Clogging	• Pompon	• Pageant Work
• Adult Classes	• Preschool Classes	• Senior Citizen Classes

**Competition Classes Now Forming**

**TRAFFIC***continued from page 2*

women are doing more drinking, driving, and crashing, according to a study from the Highway Safety Research Center, University of North Carolina at Chapel Hill. While Nationwide figures imply that overall drinking and driving has declined over the past four years, researchers found an emerging driving-while-impaired problem for women aged 21 to 24 and concluded that "most Federal, state, and community policies have neglected this subpopulation and their changing driving behaviors."

**Alcohol Facts**

- About two in every five Americans will be involved in an alcohol-related crash at sometime in their lives.

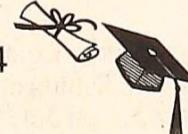

- From 1982 through 1989, approximately 189,000 people died in alcohol-related accidents. That's an average of one alcohol-related fatality every 22 minutes.
- Every year, about 534,000 people are injured in alcohol-related crashes. That's an average of one person every minute. About 40,000 of these are serious injuries.
- One out of every three people killed in alcohol-related accidents is not the drinking driver. These people are the victims of the drinking driver. (You just read about a local example.)
- Traffic crashes are the greatest single cause of death in people between the ages of five and 34. More than half of these fatalities are alcohol-related. □

The fishing season is truly upon us. With the arrival of the first holiday weekend in the spring, fishing is now legal for every species of game fish. The season for the elusive largemouth bass officially opened last weekend and will run till September 30.

Belleville Lake has produced a few nice fish. Another week of warm weather should bring the water temperature up a few degrees, triggering the fish to become more active. Last week, Lake Erie's water temperature was 64°F.; fishing was slow and no limit catches were reported. The current water temperature is 67°F. and the fish are becoming more active; limit catches are now being reported by many captains in the area. The "hot spot" seems to be the dumping grounds northeast of Turtle Island.

Basin Charter Boat Association is offering a free fishing charter to all veterans of any war on July 3. Contact the Monroe Chamber of Commerce for further information.

Have a great and safe holiday, and catch lots of fish. □

## Point of Law

By Murray A. Duncan, Jr., Attorney

The office of the Friend of the Court is a division of the Circuit Court and was established by Michigan law to protect the rights and interests of a child in a domestic relations matter. The Friend of the Court has the following duties, according to the law:

- To provide an information pamphlet to each party in a domestic relations matter;
- To provide mediation as a way of settling disagreements over custody and visitation;
- To investigate, report, and make recommendations to the Court on matters of custody and visitation if there is a dispute and domestic relations

mediation is refused by either party or is unsuccessful, or if the Court orders;

- To investigate and make a report and recommendation regarding child support if ordered to do so by the Court;
- To collect, record, and disburse all child support money paid through the Office;
- To enforce all support orders filed with the Court; and
- To ensure that a child's right of visitation with a noncustodial parent is protected and encouraged.

\* \* \*

If you have a legal question that you would like answered, you may send your question to my office and I will attempt to address it in a future issue. Questions should be mailed to: Murray A. Duncan, Jr., 10000 South Wayne Road, Romulus, Michigan 48174. □

## Super Speller

The following information was submitted by Mary Geersens, Public Relations Liaison, St. Aloysius Parents' Club

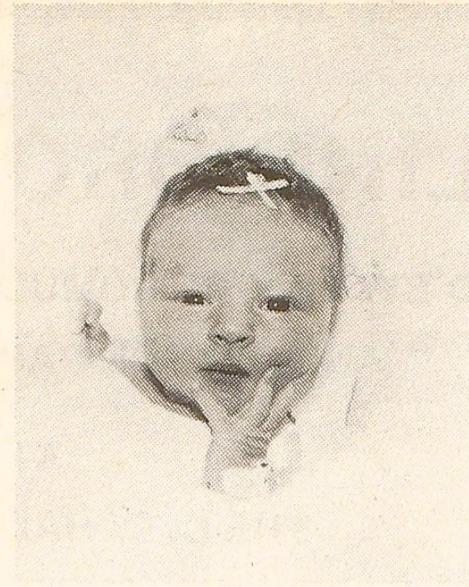

Congratulations to Denise Quiroz, one of St. Aloysius School's eighth-grade students, on becoming the school's Spelling Bee Champion.

The St. Aloysius School Spelling Bee was held on March 12, 1991, at the Luckett Christian Academy in Taylor, as part of the Catholic Schools Week Celebration.

As School winner, Denise was eligible to participate in the 1991 Lawrence Technological University/Detroit News Spelling Bee with other school winners from this area.

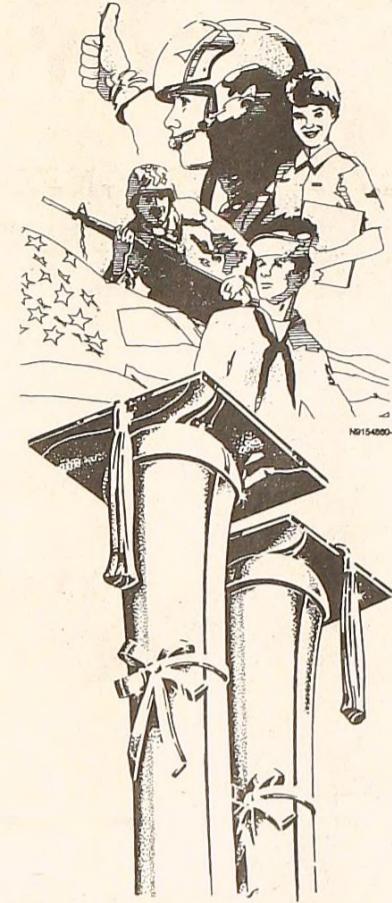

Denise, who took second place in this Area Spelling Bee, was one of 27 school spelling-bee champions participating in the event. □

## Memorial Day 1991

LET US NOT FORGET

Announcing the birth of their first daughter, Paige Taylor Johnston, are Dan and Tracey Johnston of Romulus.

Paige was born on April 29, 1991, at Annapolis Hospital, weighing six pounds and seven ounces, and measuring 19 and one-half inches.

Paige has two older brothers: Daniel Jr. and Jeremy. Her maternal grandmother is Patricia Carey (Romulus); Donald and Patricia Johnston (Romulus) are her paternal grandparents. □
